Ms. Boyd:

By letter dated June 28, 2021, XO Communications Services, LLC (XO) filed an application with the Federal Communications Commission (FCC) to discontinue certain interstate services. FCC rules require XO to send a copy of such an application to state commissions, including the South Carolina Public Service Commission (Commission). Accordingly, XO sent a copy of the June 28 letter and application to the Commission, which received it on July 7, 2021.

In response to XO's submission, the Commission opened the captioned docket. Because no action by the Commission is required in response to XO's letter or its FCC application, it is not necessary to open a docket to address XO's submission. XO therefore requests that the captioned docket be closed.

Please feel free to call me if you have any questions about this matter.
